There are 4 players due to injury who did not play in the possible/probable's day and are named in the above squads, therefore, please be aware that following the 1st or possibly 2nd training session, squad numbers will be reduced for a final time to ensure the squad size is suitable so players that attend a number of County sessions get playing time in these fixtures. However, players outside of the final training squads may be invited to join at a later date due to injury or unavailability that inevitably happens over a season.

Congratulations to those players selected, the 1st training session is on **Monday 28th November @ Sedgley Park RUFC** (Park Lane, Whitefield, Manchester, M45 7DZ). Players to arrive from 6:15pm, training will start at 6:45pm and finish at 8:15pm.

Those players not successful for selection this time are reminded the standard was very high and whilst it is understandable players not progressing at this stage will be disappointed, it is important that you keep enjoying your Rugby and many players go on to represent the County in following years as development never stops.
