Under 16 DPP

Lancashire

The Under 16 DPP and Under 16 County Programme work in collaboration in order to provide a single pathway for young players within the region. Following the conclusion of the assessment sessions (players, dates and times listed below) an extended squad of players will be invited to attend DPP Sessions at Sale Sharks Training Ground between November and December. These sessions will be run by County Coaches and act as a further development/assessment period before a County Squad is named in late December in order to prepare for competitive County Fixtures in January/February 2018.

Information regarding the DPP can be found on Sale Sharks Website. www.salesharks.com
