Volunteer Awards Nomination 2017

Dear Club Secretary,

Last season, President Tim Stirk presented twenty one Lancashire Volunteer Awards to seventeen gentlemen and four ladies who had been nominated by eighteen different member clubs in the county.

Once again, we would like all clubs in the county to nominate one person from within your club, who you feel is an unsung hero of our game. This could be someone who has done sterling work for the club for many years without reward or someone who quietly gets on with the job helping to make sure that the club runs smoothly and games are played on Saturdays.

Please use the attached form to nominate your club unsung hero, stating the length of service, positions held and a few general paragraphs to say why he or she should be given the award by the county.

All nominated gentlemen will receive a tie and a certificate and the ladies an inscribed trophy and certificate from the county President Tom Fitzgerald at one of evenings that have been planned. Please indicate on what evening they would like to attend, either on

Tuesday 25th April 2017 at Blackburn RUFC.

Thursday 27th April 2017 at Leigh RUFC or

Nominees may bring one guest at the expense of Lancashire CRFU.

If other club members wish to come along to support the nominee then they are very welcome but we ask for a nominal fee of **£5.00** per head to cover the cost of the meal.

We would like the payment to be made in advance.

Please return the completed form no later than 9th April 2017 to:
