

## **Merseyside U15's DPP**

After the final assessment for the Merseyside u15 DPP squad, the Coaches would like to thank all of the players who participated in both assessment days. The standard was high and the effort and quality of players on both days was exemplary. We would also like to thank Noel/Vicky for their time as Sale Sharks representatives and I know that both of them were impressed with the quality of rugby played. For those players not on the list below, you remain on a reserve list in case of injuries/ non availability etc but return to your clubs/schools and continue to develop your core skills.
