Dave Southern RFU Development Manager Area 5 has advised us of the following changes.

The role of Women and Girls Rugby Development Officer has been abolished, this work will be transferred to the RDO's in the four areas of the County, Claire Antcliffe will move to a new role working with the Area Training Manager.

Peter Taylor has joined Area 5 from Yorkshire as Player Pathway Development Officer replacing Ian Bletcher.

University Rugby Development Officer Chris Lowden has resigned, his role is not being replaced but a new system of University Cluster Group's part funded by the RFU will be introduced and managed by Mike Hart in a new role overseeing University Rugby in the North. Mike was our Volunteer Manager some years ago, good to have him back involved.

George Glenn is to move to Area 4 as Player Pathway Development Officer as yet no appointment to replace him has been made. We wish George all the best in his new role and thank him for the three and a half years he has helped Rugby in Greater Manchester.
